

Programme Details

"State Level Workshop on Skill Development in Agriculture & Allied Sectors"
Telangana State, Hyderabad on 29-01-2019.

Objectives of the Workshop:-

1. To provide a forum to all stakeholders to share their experiences/activities in the area of skill development and to document their success stories.
2. To orient the district functionaries and various stakeholders on skill development in Agriculture & Allied Sectors.
3. To provide an opportunity to the agro-based industries to interact with various agencies involved in the skill development activities.
4. To increase the opportunities for providing employment or handholding support to the candidates trained in identified skill areas.
5. To identify new areas of skilling in Agriculture & Allied sectors.

Technical Sessions:-

1. Organisations involved in skill training shall make a brief presentation on the various skill training activities undertaken by them.
2. The Project Directors, ATMA, Telangana would also share their success stories in the areas of skill training.
3. Representatives from agro-based industries shall present how they can associate with agencies involved in skill training programmes in order to lend employment/handholding support to the trained candidates, and also suggest new areas of skilling.

All stakeholders are requested to mail their power point presentations (10 minutes duration) to SAMETI (telanganasameti@gmail.com) on or before 11-01-2019, so as to include in the programme schedule.
