Dear Sir/Ma'am,

Greetings from 13x Learning!

This is to inform you about the upcoming free webinar for all students and alumni on "**Technical Skills for Beginners in Cyber Security**" by Ms. Sripada Manasa Lakshmi, Cyber Security Analyst, Cyber Hat Solutions.

Date: Saturday, July 10, 2021**Time:** 11:00 AM IST**Fee:** ~~INR 99~~ - INR 0 (Exclusive Webinar for all students, faculty, and alumni)**Registrations open** on <https://13x.app/e/cybersecurity-webinar>

The speaker will focus on the technical skills required for beginners to start a career in cybersecurity and will also focus on the opportunities in the industry.

The webinar is open to all students, faculty, and alumni. Please share with the student and alumni network of your educational institution.

In case you do not wish to receive any emails regarding E-workshops, please let us know.

Thanks & Regards
Team, - 13x Learning
