WEB NOTE

(Open invitation for expression of interest to provide English language software)

Professor Jayashankar Telangana State Agricultural University is one of the top Universities in India imparting quality Agricultural education facilities. The University has established a quality English Language Lab for the benefit of students (UG/PG/Ph.D.).

In this connection a suitable software has to be uploaded in its lab systems to meet the following objectives of the university.

1. To facilitate students to acquire proficiency in the English Language
2. Cater the needs of UG, PG, Ph.D. curriculum
3. Facilitate students to acquire skills for those who are appearing for IELTS, TOFEL and competitive exams.
4. The core area of Language Lab software should contain LSRW skills. (Listening, speaking, reading and writing).

Hence, open requisitions are invited from different firms to suggest suitable software for use in English Language Lab and present live demonstration before the committee members constituted for the purpose for evaluating the software.

Hence, interested firms may furnish their details in the enclosed prescribed format (Forms-P1, P2, P3) along with details of terms and conditions, renewal policy, annual maintenance, cost involved etc. The required information may be sent to the following address on or before 05-05-2021:
