1. Preamble

The ASPIRE scheme of the Ministry of Micro, Small & Medium Enterprises, Government of India aims to support the establishment of Livelihoods Business Incubation (LBI) centers. These centers are intended to foster entrepreneurship and promote startups in the agro-industry. The scheme focuses on various goals, including job creation, reducing unemployment, promoting an entrepreneurial culture, and facilitating grassroots economic development at the district level by setting up LBIs. Moreover, it aims to encourage innovative business solutions to address unmet social needs and enhance the competitiveness of the MSME sector through innovation. PJTAU, is the Nodal Agency for the development of clusters under the scheme, undertakes the role of programme fund management, in addition to monitoring and evaluation of project implementation.

The scheme specifies the following institutional arrangement at the operational level:

- a) Special Purpose Vehicle (SPV) is formed to develop and manage the cluster
- b) Implementing Agency (IA) is appointed to undertake scheme implementation
- c) Technical Agency (TA) is designated to assist and guide the scheme implementation
- d) Livelihood Business Incubator, Tandur is approved under the scheme.

Agricultural Research Station is the Special Purpose Vehicle (SPV) of the Cluster as well as the Implementing Agency of the cluster.

AgHub, is the designated Technical Agency for the cluster.

The additional initiative envisages establishment of an upgraded exclusive production line for Redgram and Safflower, at the existing Common Facility Centre (CFC), for the manufacturing of products based on Red gram and Safflower by using the unutilized funds from the sanctioned amount for machines under the ASPIRE scheme for the cluster. It should adhere to the General Financial Rules (GFR) and other relevant documents of Government of India. Accordingly, the tender procedures are being undertaken for the procurement of machines, equipment, and its accessories.

In this context, the Implementing Agency (IA), Agricultural Research Station, Tandur having administrative office at Village Tandur, District Vikarabad, Telangana, invites tenders from Manufacturers, Authorized distributors for supply of machineries and equipment having minimum three years of experiences in supply of agro and food based industries for establishment of Common Facilities Centre at Livelihood Business Incubator AgHub Rural Innovation Spoke, Agricultural Research Station, Tandur-501 141, Vikarabad Dist., Telangana.

The successful bidder to be selected through this tender is expected to undertake supply, erection and commissioning of machineries, equipment is and its accessories as specified in the tender on LSTK basis.

The Tender notification has been published fixing the date of opening of tender as 02/01/2025 at 01:00 PM.

- d) In case of discrepancy between the prices quoted in words and figures lower of the two shall be considered.
- e) If a bidder quotes NIL charges/consideration, the bid shall be treated as unresponsive and will not be considered.
- f) Part-II (Financial Bid) should not contain any commercial conditions. Variation in the commercial terms and conditions of the tender will not be accepted.

14. Evaluation of the Price

- a) The Tender committee will examine for complete, properly signed and error-free nature of the Financial Bid (Part II).
- b) The comparison of the rates offered shall be based on the total all-inclusive rates offered

15. Award of Contract

- a) The Tenderer who has quoted lowest price (L1) will be issued the 'Letter of Acceptance' by the Implementing Agency.
- b) In unavoidable circumstances, such as receipt of very limited bids or the proposal prices are substantially higher than the market value / updated cost estimate or available budget, the committee may decide upon resorting to Negotiation with the lowest evaluated responsive bidder. In such cases, the Tenderer who has quoted lowest price (L1) will be invited for negotiations and after finalizing the negotiated rate, Letter of Acceptance will be issued.

16. Security Deposit

- a) On receipt of the Letter of Acceptance from IA, the successful tenderer should remit a Security Deposit (SD) of 2% of the value of the contract in the form of Account payee Demand Draft from any Specialized Institutional Banking Branch or irrevocable Bank Guarantee with a validity period of one year in favour of "Office Comptroller, PJTAU", before any claim for payment is entertained by the Tendering authority.
- b) The tenderer may also request the Tender Committee to deduct the 3% SD payable to "Comptroller, PJTAU", from the first payment due to the tenderer.
- c) Any other amount pending with IA will not be adjusted under any circumstances, against the Security Deposit if so requested.
 - a. If the Security Deposit amount is not paid within the time specified, the EMD remitted by the tenderer shall be forfeited, besides cancelling the communication of acceptance of the Tender.
- d) Security Deposit amount remitted will not earn any interest

17. Agreement

The successful tenderer should execute an agreement as may be drawn up to suit the conditions on a non-judicial stamp paper of value, within 10 days of declaration of result of tender and shall pay for all stamps and legal expenses incidental thereto. In the event of failure to execute the agreement, within the time prescribed, the EMD/SD amount remitted by the tenderer will be forfeited besides cancelling the Tender.

18. Issue of Purchase Order

The successful tenderer should complete the supply, erection and commissioning of machineries, equipment, and its accessories at the Common Facility Centre of LBI, Agricultural Research Station, Tandur within 15 days from the date of receipt of Purchase Order. The work is to be carried out on a LSTK basis covering all fixtures tools, pipelines, water supply, equipment, electrical control panel, power boards, cables, switches etc. including minor civil works for installation and any other seen/unseen items that may be conditional requirement for installation & commissioning of the machineries.

19. Schedule of Supply

- a) The specification of machineries, equipment and its accessories should be as per Annexure-I of the respective package. The supply, erection & commissioning and performance test of machineries, equipment and its accessories for the respective packages shall be completed within 15 days from the date of issue of purchase order. Delay beyond this period may attract penalty (0.5% PER WEEK) Delays beyond that period will be viewed as violation of the contract terms and will be dealt accordingly. The machineries, equipment and its accessories should be delivered and installed at the Livelihood Business Incubator, Tandur, District Vikarabad, Telangana.
- a) The supplier shall include manufacturer recommended list of spares (MRLS) & cost thereof for two years successful running of the machine in their quotation. There shall be no additional financial obligation on part of the implementing agency for any MRLS consumed during the 2

years. The IA in consultation with the TA will ascertain if the supplier has provisioned adequate number and quality of spares as part of the delivery.

- b) If the contract is not completed within the stipulated time or extended time, Tender Committee will hold full authority to cancel the tender or take any such action that will be deemed fit to the occasion at the risk and cost of the successful tenderer. Such cancellation will entail forfeiture of EMD and Security Deposit.
- c) In the event of non- performance of the contractual provisions or failure to effect the supply, erection & commissioning and performance test within the stipulated time or during the extended period and if it is found that the supplier, has not fulfilled the contractual obligation with IA in any manner during the currency of the contract or also found on later date, Tender Committee reserves the right to disqualify such supplier to participate in future tenders or black list the firm up to a maximum period of 3 years.
- d) Every step will be taken by the IA to make infrastructure ready at the scheduled time of dispatch of Machinery, equipment, and its accessories. If there is any delay due to any reason on the part of the IA, release of payment will be considered based on delivery schedule given in Purchase Order.

20. Performance Test

- a) The successful tenderer shall demonstrate the performance of the machineries, equipment, and its accessories in complete conformity with the relevant technical specifications and performance parameters as specified in the Purchase Order.
- b) This demonstration should be done as stipulated by the IA in the presence of the TA.
- c) The performance tests should be completed within 30 days from the date of delivery of machineries, equipment, and all accessories. However, the period of supply, erection, commissioning, and performance test should not exceed the period stipulated in the purchase order.
- d) The supplier shall support to the best of their ability - support and be responsible for the statutory licenses and clearances required by the cluster farmers to begin commercial production from the unit. Bidders are encouraged to visit the location before bidding to ascertain current road conditions, location conditions and considerations.
